The Vendor agrees to perform in a good, skillful and timely manner all services set forth in the Contract.
- B. The awarded vendor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the Contract. The approval of interim deliverables furnished under the Contract shall not in any way relieve the awarded vendor of fulfilling all of its obligations under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the University, of any rights under the agreement or of any cause of action arising out of the awarded vendor's performance of the Contract.
- C. The acceptance of, approval of, or payment for any of the services performed by the awarded vendor under the contract shall not constitute a release or waiver of any claim the University has or may have for latent defects or errors or other breaches of warranty or negligence.

In the event that the awarded vendor fails to comply with any material Contract requirements, the University's Vice President for Administration and Finance and Chief Financial Officer may take steps to terminate the contract in accordance with the provisions herein and/or authorize the delivery of Contract items by any available means, with the difference between the price paid and the defaulting awarded vendor's price either being deducted from any monies due the defaulting Vendor or being an obligation owed the University by the defaulting Vendor.
- E. If the awarded vendor fails to timely and adequately perform the obligations under the Contract, Stockton, in its sole discretion, shall have the right to pursue a claim in a court of competent jurisdiction against the Vendor for any resulting compensatory damages and consequential damages, and recover any and all reasonable attorneys' fees, and costs including but not limited to court costs, witness costs and consultant costs incurred pursuing the claim.

Consistent with the intent of this contract, the University may schedule a conference for the purpose of settling or resolving any such disputes, claims or other matters. Where such a conference is conducted, the awarded vendor shall be afforded the opportunity to be heard on the matter in question. The University may appoint a duly authorized University representative to act on the University's behalf.

 - a. In the event of a conflict between provisions within the contract documents, the contract documents shall have the following order of priority:
 - Contract Agreement
 - IFB Addendum, by most recent issuance date
 - IFB Document
 - The University's Standard Contract Terms and Conditions

V. ADDITIONAL WORK AND/OR SPECIAL PROJECTS

- A.** The awarded vendor shall not begin performing any additional work or special projects without first obtaining written approval from the University. In the event of additional work and/or special projects, the awarded vendor must present a written proposal to perform the additional work to the University. The proposal should provide justification for the necessity of the additional work. The relationship between the additional work and the base contract work must be clearly established by the awarded vendor in its proposal.

- B.** The awarded vendor's written proposal must provide a detailed description of the work to be performed broken down by task and subtask. The proposal should also contain details on the level of effort, including hours, labor categories, etc., necessary to complete the additional work.
- C.** The written proposal must detail the cost necessary to complete the additional work in a manner consistent with the Contract. The written price schedule must be based upon the hourly rates, unit costs or other cost elements submitted by the awarded vendor in the Vendor's original proposal submitted in response to this IFB. Whenever possible, the price schedule should be a firm, fixed price to perform the required work. The firm fixed price should specifically reference and be tied directly to costs submitted by the awarded vendor in its original proposal. A payment schedule, tied to successful completion of tasks and subtasks, must be included.
- D.** No additional work and/or special project may commence without the University's written approval. In the event the awarded vendor proceeds with additional work and/or special projects without the University's written approval, it shall be at the awarded vendor's sole risk.

- B.** Any Agreement arising from the award of this IFB is a valid and binding Agreement, enforceable against the vendor according to its terms.
- C.** The execution and performance of an Agreement by the vendor does not and will not violate or conflict with the terms of any existing Agreement or understanding of which the vendor is a party.
- D.** The execution and performance of an Agreement by the vendor does not, and will not, violate or conflict with any law, rule, regulation, judgment or order of any court or other adjudicative entity binding the vendor.
- E.** The vendor knows of no reason, or is any way physically, legally, or otherwise precluded from performing the obligations under an Agreement arising from this , in accordance with its terms; including without limitation those relating to health and safety.

VII. DEFAULT

- A.** In case of failure to deliver goods or services in accordance with the contract(s) terms and conditions, Stockton University, after due oral or written notice, may procure substitute goods or service from other sources and hold the vendor(s) responsible for any resulting additional purchasing and administrative costs. This remedy shall be in addition to any other solution, which Stockton University may have.

VIII. SUBMISSION ERRORS

- A.** A Vendor may request that its IFB proposal be withdrawn prior to IFB opening. Such request must be made, in writing, to the Director of Procurement & Contracting. If the request is granted, the Vendor may submit a revised IFB proposal as long as the revised IFB proposal is received prior to the announced date and time for the opening of IFB proposals and at the place specified.

- B. If, after the opening of IFB proposals, but before contract award, a Vendor discovers an error in its IFB proposal, the Vendor may make written request to the Director of Procurement & Contracting for authorization to withdraw its IFB proposal from consideration for award. Evidence of the Vendor's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the IFB proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the Vendor's exercise of reasonable care; and that the University will not be significantly prejudiced by granting the withdrawal of the IFB proposal.
 - C. If, during the evaluation of IFB proposals received, an obvious pricing error made by a potential contract awardee is found, the Director of Purchasing shall issue written notice to the Vendor. The Vendor will have five days after receipt of the notice to confirm its pricing. If the Vendor fails to respond, its IFB proposal shall be considered withdrawn, and no further consideration shall be given it.
 - D. If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the Vendor's intention is not readily discernible from other parts of the IFB proposal, the University may seek clarification from the Vendor to ascertain the true intent of the IFB proposal.
- IX. SUBCONTRACTING**
- A. Any Contract pursuant to this IFB shall not be subcontracted without the prior written approval from the Director of Procurement & Contracting to any other person, company, corporation, firm, organization or agency. At the time of proposing, the vendor shall submit a list of Subcontractors, the type of work performed, and other pertinent data so as to qualify the Subcontractor's capabilities.
- X. SALE OR BANKRUPTCY OF BUSINESS**
- A. If during the life of this Agreement, the awarded vendor disposes of its business by sale, transfer, force of law or by any means to another party, all obligations are transferred to such purchaser. In this event, the new owner(s) may, in Stockton University's discretion, be required to submit a performance bond in the amount of the value of services to be delivered pursuant to this Agreement.
 - B. In the event of the institution of any proceedings by or against the awarded vendor, voluntarily or involuntarily, in bankruptcy or insolvency, or under the provisions of the Federal Bankruptcy Act, or for the appointment of a receiver or trustee or an assignee for the benefit of creditors of the property of the vendor, Stockton University shall have, in addition to the rights previously stated, the right to cancel this Agreement forthwith.
- XI. INDEMNIFICATION**
- A. - B. Vendor agrees that no insurance policy will be cancelled, reduced, or revised without thirty (30) days prior written notice to Stockton University. In addition, required insurance will be primary to any other insurance available and any limitations of Vendor's insurance will not relieve the Vendor of its indemnification responsibilities to Stockton University and the State of New Jersey per the *Indemnity* section of this project.
