B) NJ SUPPLIER DIVERSITY MANAGEMENT SYSTEM – B2GNOW

The State of New Jersey has partnered with software firm B2GNow to develop and implement a Supplier Diversity Management System (“SDMS”) which will be used to track spending on all state contracts. As part of implementing the SDMS, all Contractors will have various administrative obligations to use and update the SDMS as follows:

Prime Contractor Responsibilities:

1. The Prime Contractor shall create an account on the SDMS, and for this project, the Prime Contractor shall acknowledge payment of any and all invoices by the State. The Prime Contractor shall further require its subcontractors (and all sub-subcontractors) and material suppliers to also create an account in the SDMS.
2. The Prime Contractor shall indicate in the SDMS whenever it pays its direct subcontractors or material suppliers, in such detail as is required. The Prime Contractor shall further require its subcontractors (and all sub-subcontractors) and material suppliers to acknowledge in the SDMS when they get paid by the Prime Contractor, and also indicate when they pay any sub-subcontractors, or lower tier suppliers, in as much detail as is required.
3. The Prime Contractor shall include in its bid price the level of effort needed to comply with the above noted contractual obligations, and shall require the same of its subcontractors. No change orders will be allowed to reimburse for administrative effort to properly use the SDMS.
4. Training for any personnel who are going to be using the SDMS will be provided by B2GNow, at no cost to the Prime Contractor, subcontractors, material suppliers, or to the State. The SDMS website is available at:
<https://nj.diversitycompliance.com/?TN=nj>

C) WORKPLACE ACCOUNTABILITY IN LABOR LIST (WALL)

In accordance with N.J.S.A. 34:1A-1.16, any firm whose name appears on the Workplace Accountability in Labor List (WALL) shall be prohibited from contracting with any public body until the liability for violations of State wage, benefit, and tax laws have been resolved. The WALL website can be found at:

<https://www.nj.gov/labor/ea/osec/wall.shtml>

D) IMPORTANT CONTRACTOR INFORMATION – FEDERAL SYSTEM FOR AWARD MANAGEMENT (SAM REGISTRATION):

In order to comply with this requirement, firms must register in SAM at <http://www.sam.gov> and DPMC will verify the firm's registration in SAM prior to contract award.

E) EMPLOYEE MISCLASSIFICATION

In accordance with [Governor Murphy's Executive Order #25](#) and the [Task Force's July 2019 Report](#), employers are required to properly classify their employees. Workers are presumed to be employees and not independent contractors, unless the employer can demonstrate all three factors of the "ABC Test" below:

- A. Such individual has been and will continue to be free from control or direction of the performance of such service, but under his or her contract of service and in fact; and
- B. Such service is either outside the usual course of business for which such service is performed, or that such service is performed outside of all places of business of the enterprise for which such service is performed; and
- C. Such individual is customarily engaged in an independently established trade, occupation, profession or business.

These factors have been adopted by New Jersey under its Wage & Hour, Wage Payment and Unemployment Insurance Laws to determine whether a worker is properly classified. Under N.J.S.A. 34:1A-1.17 to 1.19, the Department of Labor and Workforce Development has the authority to investigate potential violations of these laws and issue penalties and stop work orders to employers found to be in violation of the laws.
